Re: AFM complaint.

To whom it may concern,

This is to confirm that the Dutch AFM has accepted the company was a target of a fraudulent similar company, who used Global Capital B.V's name to raise funds. The red flag "kloon" was removed and the case (CAS-22554-DoW2B) was fully closed on March 13th, 2026.

The company was contacted by the Dutch AFM on February 12th, 2026, based on the complaint.

Yours sincerely,
